Therapist (Intern), Apple Services

01/1997 to 08/1997

Selected to help clients recover from the emotional trauma of sexual abuse, to break the cycle of abuse, and to serve as a community information resource.

Provided comprehensive counseling to children and their families affected by sexual abuse. Conducted assessments, parenting classes, support groups, and professional training.

Education & Program Specialist, The Spring of Tampa Bay

1994 to 1996

Hired to develop & present domestic violence intervention curriculum with an emphasis on violence prevention, anger management, conflict resolution, and safety.

Instructor for 30+ domestic violence prevention workshops at the university, community, and national levels.

Co-facilitator for adult batterer intervention classes.

Member of case review/assessment team, determining sanctions for court-ordered offenders.

Created and presented violence prevention and domestic violence intervention curriculum to over 900 inner city children. Increased knowledge of non-violent behavior and safety planning by 60% (surpassed grant program objective by 30%). Supervised peer (teen date rape) prevention program.

Developed supplemental activity manual for the "Safe at Last" (elementary age violence prevention) national program.
